From The Principal

By Jason White

I have been away for the past week at the Central Queensland Principals’ Conference in Gladstone. I have to say I came away ‘Energised’, I am better equipped than ever to guide Winton State School to the best possible outcomes for our young people. If you are curious or just interested to know what my job as a Principal is and what level of accountability I have; then please email me jwhit791@eq.edu.au or phone the school on: 4657 2333. I would genuinely like to have that opportunity to talk with you. I am disappointed that I missed the Cross Country and the Career Day. I hope to have more: Prime Minister, Doctor, Lawyer, Surgeon, Engineer, Teacher- Principal, Business Entrepreneur and Mayoral candidates for the future.

**CQU - Career Match**

Stacey Hixon from CQU recently came to the school for the day to speak to the Year 9 students about careers. CQU run a number of courses at the university in Rockhampton as well as the CQ TAFE. This was a great opportunity for members of the Junior Secondary group to begin thinking about possible pathways when they finish. It was pleasing to hear of the different directions students are thinking of heading once their schooling is completed. A big thank you must go to Stacey for coming to Winton and spending her time with the students.
