

# Investing for Success

**Under this agreement for 2022  
Winton State School will receive**

**\$68,071\***

## This funding will be used to

Enable a whole-school and community shared understanding of what high expectations for student behaviour look like in every aspect of school life, leading to agreed and consistent processes whereby all stakeholders have clear accountabilities for a calm and respectful learning environment.

In order to achieve this, Winton State School has employed a Restorative Practices coach who will assist the principal to plan, implement, monitor and review Restorative Practices across all year levels and subject areas in the school.

## Our initiatives include

Employing a Restorative Practices coach who will assist the principal to:

- Provide meaningful professional development to staff including how to approach conflict restoratively and how to build emotional literacy in students.
- Respond to conflict as it occurs.
- Facilitate restorative conferences or chats with staff and students.
- Upskill the broader community on Restorative Practices through discussion forums, newsletter items and social media.

## Our school will improve student outcomes by

Employ a suitably qualified applicant to assist the principal in planning, implementing, monitoring and reviewing Restorative Practices across the school.	\$68,071
